

# The Road Trip/Vandwelling/SUV Camping/ Overlanding/Travel Journal

This printable journal was created out of my desire to keep better track of my on-the-road adventures. Print the necessary quantities of the pages you need, punch holes in them, and stick them in a three-ring binder. Take the binder with you on your trips and jot down the relevant information as desired.

After each page in the journal is an example page to help you better understand what each field is for. These pages do not need to be printed.

In addition to the pages here, I also recommend printing a single-page year-at-a-glance calendar from <http://print-a-calendar.com/calendar>.

Have fun!

## LOCATION NOTES

**Location** Rockville, Utah

**Notes** Pretty and quaint little town. Last town before Springdale. Boulders in people's backyards. Lots of older stone houses. Great place for a vacation house?

**Location** Virgin, Utah

**Notes** Not much in town itself, but a great starting off point for enjoying Zion National Park. One book store, a church, a post office. Camped on BLM Land just south of town.

**Location** La Verkin and Hurricane, Utah

**Notes** Both are just a few minutes apart from each other. Hurricane has everything: library, Taco Bell, Domino's, Pizza Hut, etc.  
Not as quaint as Rockville, Springdale, or even Virgin.

**Location** Mesquite, Nevada

**Notes** Didn't like it. Casinos are gross. Lots of older people. Pretty location.

**Location** Littlefield, Arizona

**Notes** Super cool location at the mouth of the Virgin River Gorge. Good little restaurant on Main Street.

**Location** Zion National Park

**Notes** Incredible. Hiked Observation Point and Angels Landing. Vehicular traffic through Zion Canyon proper restricted except for during the winter months. Check out the Kolob Canyons section on the next trip.
